XUE YUFENG https://github.com/XlightNtrEnx

SKILLS

Able to use React framework to develop a website.

Deeply comfortable with python.

EXPERIENCE

Developing my own resume website

JAN 2024 – JAN 2024

- Used the principles applied in developing idalon.com to make my own website (**yufeng-resume.web.app**).

Developing idalon.com

JULY 2023 – AUGUST 2023

- Took advantage of my connections to gain access to their source code and self-learn important concepts in software architecture, mainly how to write a maintainable and scalable codebase

Google HQ, 70 Pasir Panjang Rd, #03-71 Mapletree Business City II, Singapore 117371 — Intern for a summer camp

JUNE 2019 – JUNE 2019

- Worked with a team to produce a bus tracker website. Was responsible mainly for the backend code to leverage LTA's API for bus arrival timings and feeding the data to the frontend.
